

This Semester's First Play Delayed Because Of Illness Of Director, Mr. Hal Ulrici

"No Way Out," a suspense drama sponsored by the Alisal Lions club, will be put on by the Hartnell college - community players March 16, 17, 23, and 24.

The play, written by Owen Davis, was originally scheduled to go on the stage a week earlier than is now planned. The reason for the date change is a serious case of pneumonia contracted by the director, Mr. Hal Ulrici, which kept him in bed for about two weeks and delayed the start of rehearsals.

Another problem which plagued Mr. Ulrici is an unusual amount of cast trouble. He originally had a complete cast for the production but now two very good parts, one male and one female, are open.

Up to this point the cast reads as follows: Gloria Felice, Dr. Enid Carley"; Mrs. Elizabeth Snow, "Cora Hilliard"; Marion Lewis, "Molly Levenseller"; Francis Burr, "Hester Darrow"; Ted Switzer, "Bob Carley"; Leland Das, "Jim Slade"; Don Gilmore, "Napoleon"; Ernest White, "Dr. Walter Levenseller."

Backstage people for the production so far are Jerry Franklin, stage manager; Mrs. Connie Balestrieri, script, and Dave Rianda, props.

Campus Manhunt To Be Sponsored By Women Here

By JEANNE ROBERTSON

The Associated Women Students of Hartnell college will sponsor Sadie Hawkins' Day, revealed Mrs. Anne Harper, dean of women.

Myrna Bradley, president of A.W.S., has called a meeting on February 28 to discuss plans for the forthcoming event. Women students wishing to work on the Sadie Hawkins' project should leave their names with Mrs. Harper or contact AWS President Myrna Bradley.

Sadie Hawkins' Day has become a time-honored custom with the Hartnell students and is one of the largest social events of the year.

Ever since Dogpatch Daisy Mae's been chasing her man and Sadie Hawkins' Day draws near our feminine coeds are adjusting their running shoes. So better watch your step, all you eligible bachelors, and start practicing for the day when our little coeds go on the rampage.

Imagination and our girls will

(Continued on Page 2)

Spring Festivities Might Be Cancelled

The question of whether or not to have the annual Spring carnival will be before the Interclub Council when it meets Thursday in the student union.

Two reasons for discontinuing the carnival, according to Mr. Hal Ulrici, advisor, were the council members last year did not get as much support from the various clubs as it might possibly have received. Second is the carnival was originated to raise money for the student union which is now paid for.

Hartnell's Football Schedule To Include Vallejo Next Year

Vallejo junior college has joined the Coast conference and will host Hartnell college in a football game September 15, it was announced at Monday's meeting of the Hartnell college ASB commissioners.

President Eris made the fact known in reading a letter from Mr. Stuart Dufour, Hartnell president. The newly-inserted game will swell the 1956 schedule to ten contests. The commissioners withheld approval on the game until the terms of the contract between the two schools were made known.

Frank Sherrill, vice-president, and head of the election committee reminded the commissioners that in compliance with the constitution the student body elections would be held March 12 and 13 and March 15 and 16. The former dates are for primary elections and the latter for run-offs.

Election Planned

Sherrill urged each commissioner to seek out two or three possible candidates for his office. This, he said, would add the needed "spark" to the election campaign and actual balloting. Sherrill also reminded the commissioners that at least four constitutional amendments would appear for approval or disapproval on the March ballot.

George Dudley's four-point hi-fi dance program policy was approved by the commissioners. It is aimed at protecting the valuable hi-fi equipment and at smoother operation of hi-fi dances, Dudley stated.

Clifford Pletschet, commissioner of public relations, announced he had written about 20 or 25 theaters in the Hartnell college district requesting a price level for junior

(Continued on Page 2)

New Comptroller Will Start Work During February

Mr. Sidney Ahtye will take over duties as the Hartnell college comptroller February 20. Mr. Ahtye will replace Mr. Joseph Darrow who resigned to enter private business.

Mr. Ahtye is a graduate of Hartnell and City College of San Francisco. He was born in San Francisco of Chinese origin and is the fourth generation of his family to live in this country.

A resident of Salinas for twenty years he is married and has two children. Mr. Ahtye served in the army from 1942 to 1946 with General Patton's 89th and 83rd Infantry divisions. He operated a service station for several years.

Vacational Nurses Graduated

Instructors and graduates of Hartnell's second graduating class of licensed vocational nurses are, left to right, front row, Mrs. Lila Robinson, Mrs. Barbara Taylor and Mrs. Dorothy Dani; second row, Mrs. Maybelle Ruse, instructor; Louise Ferrasci, Mrs. Dorothy Gularite, Mrs. Lei Momi Van Matre and Mrs. Josephine Adams, instructor.

La Reata Orders To Be Taken Soon

Yearbook pledges will be taken soon, Mr. George Abbott, advisor of the yearbook staff, announced Tuesday. Staff will begin taking pledges for La Reata, which comes out in May, within the next two weeks. One dollar down and \$1.50 when the yearbook is picked up will be charged for student body card holders. Non-student-card holders will pay \$5.

Gary Stockdale is business manager and sales manager. He is assisted by Josephine Love. The student commission authorized the group to give free yearbooks to the first ten people selling forty pledges. Anyone interested in selling pledges is asked to contact Mr. Abbott in room 9.

Due to a small staff La Reata is hampered. Three staff members dropped out due to semester

(Continued on Page 3)

Six Vocational Nurses Are Graduated As Fifteen More Receive Their Caps

Graduation and capping exercises for Hartnell college's licensed vocational nursing class were held recently.

The 15 women who were capped served as hostesses at the graduation tea which was supervised by Mrs. Josephine Adams, nursing instructor. Mrs. Adams and Mrs. Maybelle Ruse, the other nursing instructor, capped the women who completed their first semester work in theory.

Mrs. Ruse presented the six graduates with their graduation pins, while Stuart Dufour, college president, presented diplomas. Dufour and C. I. Bentley, vocational education supervisor, gave brief talks.

Graduates Listed

Graduates were: Mrs. Dorothy Gularite, Soledad; Mrs. Lei Momi Van Matre, Pacific Grove; Mrs. Dorothy

Students Lose Many Privileges When They Don't Buy A Student Body Card

(AN EDITORIAL)

Hartnell college student body commissioners and other students "in the know" were amazed on registration day at the number of students who didn't consider the student body card "such a big bargain."

That the student body card is not the biggest bargain available at Hartnell college couldn't be any farther from the truth. Those who claim that it is "a worthless piece of cardboard" are speaking without any knowledge on the subject and those who claim that it is a boon to money-stricken collegians are speaking from years of watching the card stretch the collegiate pocketbook to unheard-of lengths.

There is no doubt that the main concern of someone attending school

(Continued on Page 2)

Privileges . . .

(Continued From Page 1)

(outside of learning as much as possible) is to stretch every dollar as far as it will go and at the same time engage in an active social life. The student body card is an aid to that end and something more.

How does the card stretch the dollar? First, each holder is covered by accident insurance, and money is saved there. Secondly, each holder is admitted free of charge to all home athletic contests, Little theater plays and other social events sponsored by the Associated Students. Thirdly, each holder is entitled to a 50 percent reduction in the price of La Reata, the school annual, and each holder is entitled to a subscription to the Panther Sentinel.

The latter benefit has come up for argument several times in the past. It is a common observation that copies of the Panther Sentinel are laid in the hallway for one and all, card holders and non-card holders. However, there is a little-publicized, yet water-holding fact around Hartnell that any known non-card holder who is apprehended reading the Panther Sentinel on school premises is subject to disciplinary action by the student Supreme court.

There is a possibility that a fourth monetary benefit may be imbedded in the student body card, and that is cut rates at motion picture houses. This project is currently in the ground-work stage.

We have stated the student body card is a money-stretcher "and something more." That "something more" falls into two categories: 1) privileges, and 2) the nucleus of the student body organization.

The privileges stated and implied in the student body card are unlimited. Outside of the privilege of voting at all student body elections the main concession granted on the card is "Membership in the Associated Students of Hartnell College." That implies more than there is space or time to record here, but a big factor is student union privileges.

It is a well known fact that the student union lounges with their background music, lavish furniture, games and other entertainment, are a boon to all book-weary collegians at Hartnell.

The lounges are there for student body card holders. The lounges were made possible by student body card holders.

This fact leads us into the third category, namely, that the card forms the nucleus for all student body activity. Without the sale of the cards there would be no sporting events, no school publications, no student union, no student government organization, no dramatics and other school activities, no school station wagon, no deviation whatever from the monotony of classroom work.

That anyone should embrace the attitude that the student body card is ineffectual has not examined the facts, is speaking without any idea of the years of experience and effort that have been put forth to insure a strong and benevolent student body program.

For even the most casual student to pay for the items he gets by buying a \$12.50 student body card would cost him many times this figure. This conclusion has been reached years ago.

For those whose eyes haven't been opened on this subject until now, there is still time to "cash in" and buy a student body card.

Miss Robertson, Bill Gammill Join Sentinel Reporting Staff

Three new members joined the Panther Sentinel staff this semester, Mr. George Abbott, advisor, announces. Merri Irving will act as advertising manager, while Bill Gammill and Jeanne Robertson will complete the reporting staff. Sports Editor Marion Phillips enrolled into the class for full time credit, and Editor John Laue remains on the staff on a part-time basis.

The journalism 20A class will handle small assignments for the paper. Members of the class are Bob Scaglioti, Roy Bayford, Cliff Pletschet and Jerry Tollefson. Miss Robertson is also a part-time staff member.

The Sentinel staff hopes to publish ten issues by the end of the year.

Spring Program Slated by Group

Newman club laid plans for the spring semester's activities at a short business meeting held Tuesday noon.

Highlight of the calendar will be a school potluck luncheon which will be held in the home economics room on March 13. The noon affair will carry a 25 cent admission.

The club will join in four communions during the next four months. The dates are March 4, April 7, May 5 and June 2.

Interclub Council To Change Meeting Dates

The Interclub council revised the club meeting schedule at the meeting of January 20 and the new schedule reads as follows:

First Tuesday: Colhecon club, Ski club.

Second Tuesday: Religious clubs, Art club.

Third Tuesday: Alpha Gamma Sigma, Ski club, Women Athletic association.

Fourth Tuesday: Religious club, Art club.

First Thursday: Interclub council.

Second Thursday: Engineer's club, International club.

Third Thursday: Interclub council.

Fourth Thursday: Engineers club, International club.

Fourth Friday: Business club, Associated Women's Students.

Promissory Fees For Student Card Are Being Paid

All but eight promissory notes for the first semester have been paid, according to Bob Barber, student commissioner of finance. The notes have to be paid before the student could enroll for the second semester.

Some of the students who have not paid their notes have left college. Those who pay their fees and return their student body cards will receive a partial refund. The finance committee promises to take action against students who do not pay their notes before the due date. About \$70 is owed on old notes.

Many new promissory notes have been taken out for the new semester, but the exact amount is not known.

Great Demand For College Ag Grads

According to the pamphlet "Careers Ahead," published by the division of agriculture of the Association of Land-Grant Colleges and Universities about 15,000 agricultural college graduates are needed by the American economy yearly. Only some 8,500 are being supplied currently.

The 15,000 open positions were broken up like this: agricultural research, 1,000; agricultural industry, 3,000; agricultural business, 3,000; agricultural education, 3,000; agricultural communications, 500; agricultural conservation, 1,000; agricultural services, 15,00; farming and ranching, 2,000.

Viewing the whole situation, it appears there are 6,500 jobs each year open for agricultural college graduates.

Applications Asked For CTA Scholarships

Applications for two Salinas area CTA scholarships are being taken by the dean of men, Dr. W. J. McCallum. Sophomore students in good standing, who were graduated from Salinas Union high school, are eligible to apply. Deadline for applications is Feb. 20.

Dr. McCallum will submit the applications to a committee from the Salinas CTA who will make the selection.

Last year's recipients of these scholarships were Hartnell graduates Maxine Russo and Mary Lou Smith.

Panther's Claw

By CLIFF PLETSCHET

RING OUT THE OLD, ETC.: Well, the hand-wringing, sweating and general consumption of midnight oil is over for a few weeks and with a collective sigh all students at Hartnell this week embarked on the new semester. With the new semester comes new faces, new ideas, new ambitions. Some good, some bad.

With the termination of the fall semester we lost some old standbys. Jack "Tiger" Roe, who could never keep out of trouble and subsequently never out of this column, has taken off for the U.S. Navy. (I sent them a wire yesterday to sound the general alarm. All hands on deck, etc.) Herb "Bulletstep" Praskey has also headed for navy life, but in the confines of electronics school at Treasure Island.

Barbara P.M. has transferred to S.F. State, Joe Maras to City College of S.F., and John "Flippylip" Perez to San Jose State.

Others have gone other places but made so little "noise" while they were here they haven't been missed yet.

HEAR AND THERE: Vadastine McCray has two cousins attending Hartnell: Charles Mell and Bill Throgmorton. . . . It's a boy for Mr. and Mrs. Dick Enterman (Pat Parks) born January 30. It weighed seven plus pounds but significant feature is that it was 20 inches long. . . . Did you ever watch John Laue eat? Probably not, but we did and claim his eating habits are downright revolutionary. John never mixes his food. Eats everything separately and in a special sequence. So if you see a guy in the caf pouring salt into his mouth, that's John. . . . When told that the male-female ration at Hartnell last year was 2-1, Merri Irving retorted: "Yeah, but you should have seen MY two!" . . . If Jackie Crowder, Negro basso of the University of Redlands choir, doesn't make "the big time" with that terrific voice of his then the sun won't rise tomorrow.

THE COOL AND QUIET

By JOHN LAUE

With his mustache gone and a new horizon rainbowing over his shoulder, Bud Shank is one of the happiest these days. Opening at the Haig with his new quartet and after a month ready to hit the Easter circuit, Bud feels that this should be his year.

Bud Shank is one of the most versatile and proficient musicians on the jazz scene today. His alto sax and flute have sparked many groups both on the east and west coast for the last few years.

He started playing clarinet at ten, and saxophone at thirteen. Every year he goes back to the farm where he grew up and reminisces on how he first got to be a musician. His family was musical in a way when he was a child. Somewhere in his younger days he heard a few of their favorite tunes such as "When Francis Dances With Me, Hully Gee," and his ambition to become a farmer was lost in favor of being a musician.

It must have been a hard fight for him to turn out to be a jazz musician after a background like this, but he made it.

He majored in music at the University of North Carolina for his basic background and then studied with several teachers. A high point in his education was his studying composition with Shorty Rogers for two years.

He feels that a well-rounded education, a knowledge and study of their instruments, composition, tone development, and everything to do with music is important to young musicians.

For interested parties there will be a meeting of those who want to have a jazz club at Hartnell in room 9 at noon, Monday. The object of the club will be to get a reduced rate for members attending local concerts.

Another possibility is to sponsor record concerts over the hi-fi system in the lounge during noon hour one or two days a week.

Several More Courses Given In New Semester At College

By ROY BAYFORD

Several additional courses are being offered at Hartnell college this semester. Among them are journalism 20A, personality and dress 25 and swimming.

The journalism department has added an additional course, journalism 20A, to its regular class schedule. The primary function of this class is to equip students with the fundamentals of writing and a knowledge of the journalism profession in particular. Full details are available from Mr. George Abbott in room 9.

As a spring offering, Miss Gladys Schmidt has started a class, dress and personality 25. This class is designed to develop personality, a knowledge of "dressing for the occasion," know-how of personal grooming, posture and etiquette. This class is taught Tuesdays and Thursdays in room 19 at 8 a.m.

Swimming has started again this semester as a physical education elective. Classes for men are Mondays and Wednesday at 9 a.m. under Mr. Ken Blue. Mrs. Jack Middaugh teaches the co-educational class on Tuesdays and Thursdays from 1 to 3 p.m.

LA REATA . . .

(Continued From Page 1) changes. A sophomore student, Miss Love, was the only student added to the staff so far this semester. The group may find it necessary to call for outside help to gather names and to paste up to meet their deadline.

The small staff, headed by Editor Roy Bayford, completed work on the final page proofs of the first 47 pages last week. They are now finishing the pasteups and copy for the next two signatures which are due at the printers March 1. The last two sections will be delayed to cover spring sports but they must go to press by Easter vacation.

NURSES . . .

(Continued From Page 1) Dani, Aromas; Mrs. Lila Robinson, King City; Mrs. Barbara Taylor, Watsonville, and Louise Ferrasci, Salinas.

Receiving their caps were: Mrs. Lucille Armstrong, Mrs. Lucille Ayres, Clara Begium, Mrs. Rita Brannon, Mrs. Stacy Brunk, Mrs. Vera Crawford, Mrs. Martha Ebel, Emma Fabela, Mrs. Frances Hurlhey, Ellen Loughran and Mrs. Marjorie Silacci, all of Salinas; Mrs. Marion Markum, Castroville; Mrs. Ressie Purnell, Seaside; Mrs. Lucille Russell, Pacific Grove, and Mrs. Mary Tunney, Watsonville.

Saturday Dance Set

There will be an after-game dance tomorrow night in the student union. This is the third in the series of hi-fi dances in the student union, Barbara Church, commissioner of social activities, announced.

The dance will be held until midnight. Admission prices are 35 cents for couples and 25 cents for stags. Refreshments will be ten cents.

Miss Church is over-all chairman for the event. Marilyn Ingols and Norma Yappert are handling the music and refreshments.

MANHUNT . . .

(Continued From Page 1) run riot when gunnysacks for girls and long underwear for the men appear on our college campus.

A further notice has been added that any male student capable of breaking the four minute mile is definitely ineligible to participate in the event.

Hartnell Coeds Are To Model For Show

Plans to hold the annual Salinas Womans Club fashion show with Hartnell Homecoming queen, Judy Young, and her attendants as models are now in progress.

A meeting was held Tuesday in the little theatre between Mrs. Elizabeth Smith, program arranger for the club and the prospective models. If everything goes as scheduled the show will be held sometime in the first part of March with the Hartnell women modeling such things as beachwear, bridal gowns, and evening dresses.

Another meeting will be held this Tuesday for further organization. At present the models are Judy Young, Sally Beazell, Marilyn Ingols, Martha Lou Cowles and they will be able to participate or not.

Commission . . .

(Continued From Page 1) college students. He stated that answers to the letters will be relayed to the commission.

Other announcements at the meeting included:

Queen Sought

The general committee of the Colmo del Rodeo Parade requested the commissioners to select a queen candidate from the student body for the parade which will be held on July 21.

President Dufour stated in a letter that he and Coach G. Ed Adams met with Donald Ziegler, superintendent of King City high school district in regard to the Hartnell-Ventura football game that will be played there October 6. Mr. Dufour said agreement was reached on many aspects of the game.

A letter from the University of California stated that the annual Student World Affairs committee would be held on the university campus on April 21, 22 and 23. The letter stated that the conference would accept five delegates from Hartnell and all expenses of those delegates would be paid.

It was announced by President Eris that Mr. George Abbott, journalism instructor, had requested that a yearbook be offered free to ten students selling 40 or more in the forthcoming La Reata sales campaign. The request was granted by the commissioners.

Library Open Nights Monday, Wednesday

The Hartnell college library will be open for evening study and the use of the books from 7:30 to 10 p.m. Monday and Wednesday evenings.

The new hours are based on records kept of use during the first semester when it was found that on Tuesday and Thursday nights the library was not used as much as on Mondays and Wednesdays, stated Miss Luella Wiens, Hartnell college librarian.

GREEN'S CAMERA SHOP

350 Main St., Salinas

College Band To Be Featured In Student Program March 3

Mr. Lorell McCann, Hartnell college band director, is preparing music for an assembly performance March 3.

"It's disheartening to know that the bands number has dropped with the changing of semesters," he stated, and added that there are several instruments available to prospective members. Among them are two French horns, a bass and an alto clarinet, a baritone horn and a bassoon.

Those who have signed up for the band this semester include: Cheser Amyx, Charles Bevens,

James Carley, Leland Dast, Walter Dodd, Robert Endersby, Constancio Gionson, Esperanza Loya, Alfred Machado, Richard McGlashan, Robert McAllister, Sanaye Ohashi, Allen Plake, Patrick Ruiz, Larry Roeckner, Sam Walters, Marilyn Wagner, Ruby Wolf, Dr. Jerome Holmes.

Oil Expert Talks To Hartnell Club

The Hartnell Engineer's club had a movie and lecture Tuesday sponsored by the Richfield Oil company.

The representative of the company spoke on the subject of oil conservation in California. Through the conflicts of private interest and greed with the public good, the United States oil resources are being depleted at a rate far in excess of what they should be. The object of the lecture and movie was to educate the public to this problem and so make it possible to stop some of the wastage.

Lettermen Give Adams Hope For Banner Year On Cinders

By BILL GAMMILL

With returning lettermen Dick Casper, Wes Bond, Jerry Morgan, Sumu Matano and Bob Fierro to lead the way, plus several outstanding prospects coming out for the sport, Coach Ed Adams is looking forward to a successful 1956 track season.

Competing in the mile and two mile for the Panthers will be Wes Bond. Other distance men will be George Harris, Leslie Bond and Henry Mazzocetti.

Competing in the middle distances will be Casper, Ricky Axe, Everett Alvarez and Loren Thomas.

Doing the sprinting for Coach Adams will be Matano, Ray Perez, John Vear and Nathan Olivas.

Running the hurdles will be John Vear, Morgan, Fierro, Jerry Radvich and possibly Bob Woodring.

Leading the team in the field events will be Mervin Anderson, Daryl Goodwin, Roy Davis, Fierro, Bill Rodriguez, Ron Hall, Mel Kelly, Morgan (1955 Conference broadjump champion), Ron Critchfield, Woodring, and Harry Tomlinson.

Stars Missing

Missing via the graduation route are Bill Mix and Reggie Kenyon, members of the victorious relay team which included Casper and Matano. Axe, Alvarez, Thomas and Perez will be fighting it out for berths on the relay team.

Coach Adams said he expects great things of Anderson in the weights and Fierro in the pole vault. Mr. Adams also stated that Casper, one of the outstanding middle distance men in the state, and Wes Bond, top-flight miler and two-miler, will both be tremendous assets to the team.

Kelley and Fierro both have, according to Mr. Adams, the potential to be of tremendous value to the Panthers. According to Mr. Adams, there are many openings for men who have the desire to run, jump, or throw. The first meet for the Panther cindermen will be on March 10.

Harts Fall Behind In Cage Running With Two Losses

By MARION PHILLIPS

As a result of recent losses to Concordia and East Contra Costa, the Hartnell Panthers have been dropped from the Coast conference championship race. The Panthers bowed to Concordia by a score of 71-68, Jan. 28.

The following Tuesday, the Panthers journeyed to Pittsburg to vie with the East Contra Costa Vikings. The end of the final period saw a dejected Panther quintet leaving the floor as the score read: Contra Costa, 84, Hartnell 64.

In the East Contra Costa conflict, Ron Critchfield, Panthers' high-scoring guard, tallied 26 digits, capturing the scoring honors for the evening. Hartnell's forward, Bill Cox, followed with 17 points. East Contra's forward, Frank Garcia, paced his team mates with 20 points and John Weekly, Viking forward, trailed with 16 digits.

Cox Stars

Bill Cox, Panther frontman, held the Hartnell scoring race in the

Anderson Nets 29 As Harts Triumph

Hartnell's Gus Anderson and Concordia's Tom Fasholz staged an individual scoring duel here Wednesday night as Hartnell broke a four-game losing streak with an 80-59 win over the Lutheran college of Oakland.

Anderson was red hot with his two-hand pivot shots as both he and Fasholz, a consistent 30-point-a-night performer, tallied 22 points each in the first half. Anderson wound up with 30 markers while Fasholz had 29.

Hartnell, which has won three and dropped four in Coast conference play and has a record of 9-12 over-all, was ahead from the first few minutes. The visitors cut the margin to 38-32 at the half, but the Panthers quickly pulled away at the start of the second half.

Others in the scoring column for Hartnell were: Dick Casper, 12; Ron Critchfield, 10; Bob Stevens, nine; Bill Cox, eight; Bill Rodriguez, six; Ron Jones and Marty Munoz, two each, and Don Lintz, one.

Two Players Are Back For Golf Contests

With only two lettermen, Paul Huira and Jerry Tollefson, returning and two accidents affecting the physical condition of his probable team members, Coach Ken Blue is looking forward with enthusiasm to the coming golf season.

Coach Blue stated that Ray Dinn, Salinas Union high school graduate and Salinas city champion, will probably be a tremendous asset to the team.

Other prospects include, Clifford "Tex" Johnston, Salinas Union high school graduate injured recently in a motorcycle mishap; Ricky Axe, Salinas; Bob Amburn, Salinas; and Joe Edwards, also of Salinas. Bob Meyenberg, recently returned from the service, and Keith Malech are also probable members of the Hartnell team.

College boy's definition of a male parent is "The KIN you love to touch." (ACP)

Concordia game with 18 points. Ron Critchfield trailed with 14 tallies and Bob Stevens plunked in a welcome 12 points.

In the Concordia game other scorers for Hartnell were: Gus Anderson 10; Hal Boute 6; Don Lintz 8. In the East Contra Costa game the other scorers for the Hartnell Panthers were: Bob Stevens 1; Gus Anderson 6; Dick Casper 6; Bill Rodriguez 6; Ron Jones 4.

Panther-Lobo Rivalry Resumes Tomorrow In Conference Contest

The Hartnell Panthers will host their arch-rivals, the Monterey Lobos on the hometown court at 8 p.m. Saturday. Hartnell has defeated the Lobos 23 consecutive times and the 1955-56 version of the Hartnell Panthers has defeated the Monterey Lobos twice. Monterey holds the solitary position, of last place in the Coast conference. However, Monterey has been improving steadily and Hartnell has lost two regulars in recent weeks. Coach Adams has been drilling his charges all week in preparation for next to the last home conference game of the season.

Regli Is Hopeful For Good Season In Diamond Sport

With an infield which should be considerably stronger than that of last year and several new prospects to be added to the returning lettermen, Coach Jess Regli is looking forward to the coming baseball season.

Coach Regli stated that, while the possibilities of a stronger infield look very good, he hasn't as yet formed any definite ideas concerning the outfield berths.

Among the returning lettermen are Don Hibbs, catcher from Salinas and Chuck Felice, Santa Cruz second sacker.

Prospects for the coming season include: Jessie Dominguez, former Gonzales high school pitcher; and Joe Tellison, Watsonville infielder.

Coach Regli stated the possibility of both Larry Butts and Bill Davidson doing a major part of the hurling for the Panthers. Butts is formerly of Placerville. The Panthers will meet Gonzales high in the initial practice tilt of the season on March 9.

69'ers Leading Race For Basketball Crown; Tollefson Nets 35 Pts.

With the second and final round just underway, the 69'ers are still leading the intramural basketball program with a record of five wins and one loss. The 69'ers are being pressed in their leadership by the Panchos who thus far have won four while dropping one. The Six Packs trail the Panchos in third position with a record of three wins and two losses.

On Jan. 9, Jerry Tollefson tallied 35 points in a single contest and thus established a record.

The 69'ers as a team racked up 57 tallies in a Jan. 12 tilt to set a record.

By scoring only eight total points in a game on Jan. 9, the Cokknockers established the season's low.

San Jose Routs Basketballers After Nip and Tuck Beginning

The Hartnell Panthers hosted the San Jose J.C. Jaguars Saturday in the Men's gymnasium. San Jose walked away with a victory of 76-58 over the Panthers.

The game started fast and the Panthers took the lead in the first quarter, 21-19. San Jose removed the lid from the basket and from then on it was impossible for the Panthers to close up the margin. The score at the half read: San Jose 37, Hartnell, 29.

Jim Brazda and Carl Westenson, Jaguar guards, held the high point distinction for the evening with 15 tallies each. Panther Guard Dick Casper and Panther Forward Gus Anderson, tied for second place with 14 points.

Cox Gets Nine

Other scorers for Hartnell were: Bill Cox, 9; Ron Critchfield, 6; Dave Crocker, 3; Bill Rodriguez, 4; Ron Jones, 2; John Vear, 2; Don Lintz, 4.

East Contra Costa and San Jose continue to hold the lead in the Coast conference basketball race. Menlo still has an outside chance to capture the championship as it holds a close second place. Hartnell and Concordia are battling for fourth place, while Monterey Peninsula college is in the basement.

PEAVY SEEKS MEN FOR TENNIS TEAM

With the date of the first conference match set for sometime in March, Mr. Darwin Peavy, tennis coach, has expressed the shortage of good varsity material for the coming season.

Lettermen returning to bolster the ranks include Jerry Tollefson and Lloyd Johnson.

Prospects include Don Shirk, 1955 Coast Counties Athletic League champion; Doug Addison, Salinas; Robert Iwamasa, CCAL runner-up; and Yancy Wyatt, San Jose. The varsity team will consist of five starters which will alternate to make up five singles and two doubles.

Cagers Face Braves On Stanford Court

The Hartnell Panthers will journey to Palo Alto this afternoon to meet the Stanford Braves in a non-conference game. The Braves are more experienced than most junior college quintets and have won most of their games this season.

Tentatively, the Hartnell starters for the Stanford fracas will be: Bill Cox at forward; Ron Critchfield at guard; Dick Casper at forward and Bob Stevens at guard, and Gus Anderson at center.

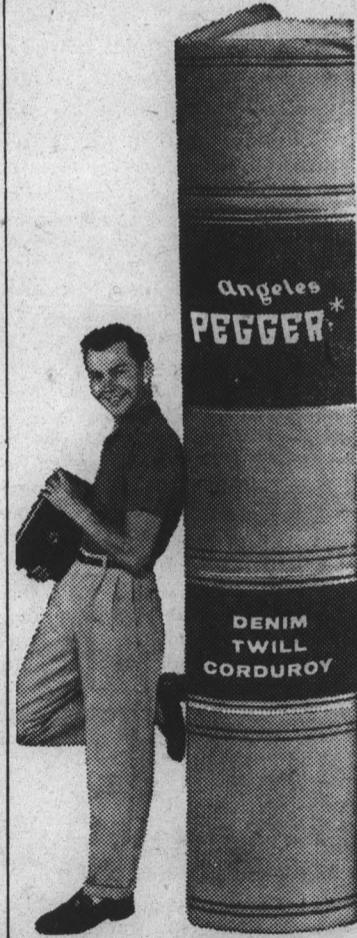

Cagers Trounced By Hancock Five

The Hartnell Panthers dropped a 109-69 contest to the mighty Allen Hancock quintet in Santa Maria Saturday. Hancock started fast and left Hartnell trailing 22-10 in the first quarter.

The half proved Allen Hancock's superiority in height and ball-control. The Panthers gained a number of their tallies at the foul line.

Hancock's classy forward, Dave Wood, and Center Dale Hyatt, scored 24 points to enter the high-point limelight for the evening.

Panther's far-reaching guard, Ron Critchfield, held the high point honor for Hartnell with 18. Bill Cox trailed with 17 points. Other scorers for Hartnell were: Bob Stevens, 14; Gus Anderson, 10; Dick Casper, 9; Ron Jones, 1.

The Preferred Campus Slack at HARTNELL COLLEGE

A sleek campus classic—with volumes of style. Continuous waistband, slimly tapered line, big hip patch pockets—they've got everything! Choose them for breeze-weight comfort in a variety of washable fabrics...The season's newest colors. Waist size 26 to 36.
